Rachel,

Thanks for providing this information. As this is the first we have learned of this information, and in light of competing deadlines in this case and related actions, we need some time to consider.

In any event, we think it may be best for the parties to meet and confer to see if there's agreement to be reached, rather than the parties expending resources on a noticed motion if it is unnecessary.

Can you propose some times Wednesday- Friday next week that you're available to meet and confer?

Thank you,

Emma

Emma, as further follow up to my June 11 email responding to your email of the same date (which in turn followed up on our initial May 28 reach out), we will seek a contested withdrawal this week for Ms. Lang.

Ms. Lang's mother has worsening dementia that is requiring attention and we will state that in the motion.

Please let us know by midday tomorrow if you reconsider your position.

Thank you.
